Alwood Point SW, Edmonton, Alberta, T6W 4N1

Personal Website: <https://www.lanceadhikari.com>

OBJECTIVE

Motivated high school student with a strong interest in cybersecurity and foundational knowledge in computer science. Currently exploring topics such as securing the Internet of Things (IoT), web application development, data science, and incident response. Eager to learn and develop skills in cybersecurity, network defense, and risk management, with a passion for contributing to innovative solutions in a technology-driven environment.

EDUCATION

High School Education

Sep 2023 - Jun 2026

Dr. Anne Anderson High School • Edmonton, Alberta

Grade 11 student at Dr. Anne Anderson High School with graduation date on June 2026.

SKILLS

- Communication Skill (As a guest speaker for website creation presentation):

<https://necase.ca/newsite/programs/edmonton-chautari/community-book-exchange-program-a-community-led-initiative>

- **Structured Programmer:** Experience with Python, JavaScript, Java, and JSON

- **Client-Side Scripter + Web Developer:** Experience with HTML, CSS, JavaScript and PHP

- **Database (Backend Development):** I can utilize MySQL to ensure data integrity and efficient data retrieval.

MySQL played a crucial role in developing the database architecture for my Community Book Exchange website.

- **Web Designer:** I can apply my knowledge of HTML and CSS to create visually appealing web interfaces while also ensuring responsive and user-friendly layouts

- **Content Creator (YouTube):** Manage two YouTube channels; TryToBeUSEFUL and Technolot

WORK EXPERIENCE

Book Exchange Website Creation

Dec 2020 - Present

NECASE • Edmonton, Alberta

Worked over 3 years to develop Community Book Exchange using many languages that span between HTML, CSS, JavaScript, JSON, and PHP. Also integrated the use of MySQL database to store all backend information.

The link to the website can be found here: <https://bookexchange.necase.ca/>

VOLUNTEER WORK

GitHub Contributions

Jan 2021 – Present

As a proactive member of the online open-source community, I manage a GitHub page where I contribute to various projects and share my own innovative solutions. GitHub page: <https://github.com/Lance-Adhikari>

Leaders in training Camp (LIT)

August 6 to 9, 2024

TELUS World of Science – Edmonton
